CAREER PROFILE

- Recognized by Managers for outstanding teamwork, thorough attention to detail and a high degree of personal efficacy in accomplishing tasks in fast-paced workplace environments.
- Establish excellent rapport with customers by combining effective communications skills with genuine respect and extensive product knowledge to better understand and meet their needs.

PROFESSIONAL EXPERIENCE

Northgate Ford, Cincinnati, Ohio
Car Valet

2026 - Present

- Assist customers by checking their vehicle in the system for their appointment.
- Take pictures of the car as it came in to protect the dealership of any damage that might have come in with.
- Handle the car as if it were my own to take it to the necessary place at the dealership, whether that be taken to the mechanics or parking it on the lot.
- Most mornings are busy from 9:00 – 11:30, that is when most appointments are scheduled, and multiple customers come in at the same time.
- Return the customers vehicle to them and making sure to follow the rules of the road as to not damage the customers car in any way

MEIJER, Grove City, Ohio
Courtesy Clerk

2021 - 2024

- Assisted customers with returns and also helped load groceries in their cars.
- Served as Parking Lot Attendant; gathered over 500 shopping carts per shift during peak days.
- Unloaded semi-trucks and restocked merchandise throughout the entire store; always adhered to store maps and ensured well organized and attractive product displays.

- Commended by Store Manager as the top-rated Clerk, for displaying a strong work ethic and for achieving 100% perfect attendance and punctuality for 3 consecutive years.
- Recruited by the Human Resource Specialist to train all new Courtesy Clerks.
- Rated highly by satisfied customers for delivering to prompt, courteous and friendly service.
